To Whom It May Concern:

This letter is my personal recommendation for M. Tamara Lindemann. Until just recently, I have been Tamara's immediate supervisor for about a year and a half. I found her to be consistently pleasant, tackling all assignments with dedication and a smile.

Besides being a joy to work with, Tamara is a take-charge person who is able to present creative ideas and communicate the benefits. She has successfully kept on top of her assignments, provided excellent customer service, and has displayed a genuine concern for the clients that she has served. Tamara has truly been an asset to our department.

Tamara has been very dependable and reliable during the time she has been employed here. Her position was very demanding as it involved heavy processing of paperwork, extensive knowledge of our computer system, and very emotional interaction with her client in which she handle exceptionally. Tamara will truly be missed.

I highly recommend Tamara for employment. She is a team player and would make a great asset to any organization.

Sincerely,

Jacqueline Washington Family Independence Manager Department of Human Services
